## A summary of the Policy Statement on children, young people and the church

- As members of this church, we commit ourselves to the nurturing, protection and safekeeping of all, especially children and young people.
- It is the responsibility of each one of us to prevent the physical, sexual and emotional abuse of children and young people, and to report any abuse discovered or suspected.
- We recognise that our work with children and young people is the responsibility of the whole church.
- We undertake to exercise proper care in the selection and appointment of those working with children and young people, whether paid or volunteer.
- The church is committed to supporting, resourcing and training those who work with children and young people, and to providing supervision.
- The church is committed to following the Home Office Code of Practice *Safe from Harm* and adopts the guidelines and procedures published by the Baptist Union of Great Britain in its publication *Safe to Grow* (revised edition).
- Each worker with children and young people must know the recommendations, and undertake to observe them. Each shall be given a copy of the church's agreed procedures and Good Practice guidelines.
- As part of our commitment to children and young people, the church has appointed a Child Protection Coordinator and a Deputy Child Protection Coordinator and individuals as Advocates - their roles will be regularly explained to children, and their names and contact details publicly displayed.

A full Child Protection Document is maintained by the church.
